

Interested in becoming a sponsor of the West Indy Winds?

We are a community band that is a 501(c)-3 not-for-profit (pending) organization that grants scholarships to local high school musicians to assist with their band fees and encourage their life-long love of music. A great deal of our funding comes from community benefactors. Your donation would not only help us support the running costs of our volunteer band, but help us increase the amount of scholarships that we could provide. No member of the WIW receives remuneration of any kind for their service. If you have not yet contributed, we hope that you will join those whose support makes our work possible. Being a 501(c)-3 (pending) not-for-profit organization, all donations may be tax deductible. Please see the chart below for all of the different donation levels and their accompanying incentives. Each level includes all of the previous level's incentives. We greatly appreciate any amount that you can give!
